“A Proven Way To A Bully-Free School”  
“A Mock game show helps kids with bullying”

## **BULLY-FREE GAME SHOW**

**A Game Show to Stop Bullying**

**The Original  
Bully-Free  
Game Show**  
with  
**Buzzers & Bells**  
“Not a Magic Show  
in disguise”

We have created the BEST Bullying Prevention Assembly Program possible. It is designed to stop Bullying, stop Peer Pressure and even stop Cyber Bullying. Our Bully-Free Game Show is an action packed, high energy show with loads of Audience Participation. Some of your students will be on stage as game show participants and the rest of your students will participate from the audience.

*Book the Bully-Free Game Show and you will receive:*

**FREE - Bully-Free Membership Cards**  
**FREE - Parents Handouts**  
**FREE - Teacher Handouts**

Fact....Bullies are more likely to steal, smoke, drink, vandalize and drop out of school.  
Fact....Students that are Bullied have low self esteem, do poorly in school & get physically sick.  
Fact....Working together, we can ALL help change their lives

**\$100.00 OFF**  
**Ask Me How**

**Your students will learn:**

Valuable information when confronted with bullying  
How to use their words instead of their fists  
Why teasing is hurtful  
And when to ask for help

# Science

## Great S.T.E.M. Assemblies

### CRAZY ABOUT CHEMISTRY

Let our Zany Professor guide your students through a **GOOEY, SLIPPERY, SLIMY, SMOKY** world of chemistry. Perform experiments and change everyday household items using the principles of chemistry.

### ITS NOT MAGIC, ITS SCIENCE

We help the students become interested in the study of science while teaching rudimentary science principles. It is presented as magic and then shown it is SCIENCE

**NEW**

### Charge It Up - All About Electricity

Experience the Mind Boggling Wonder of Electricity as we make **Lighting** right in front of your eyes. Our New Show, Charge It Up has **FUN, LAUGHTER, AMAZEMENT** and **EDUCATION** on not just the physics of electricity, but of Science and the scientific method itself. Also available in the science of Robotics and other physical sciences.

### INCREDIBLE EDIBLE SCIENCE

You will learn about science in a new & tasty way. What makes popcorn pop...ice cream freeze? This is the perfect blend of Science and FUN.

Each of our Science Programs can be class by class or in an assembly setting  
All are **HANDS ON** and use **STUDENT PARTICIPATION**

Science Assemblies  
Family Science Night  
Science Fairs  
Workshops

# Bubble-Ology 101

Discover a world of Bubbles you never knew existed  
With our Bubble Science Projects.

You will be amazed with our bubble magic while learning about the scientific concepts of Matter, Structure, Energy and more...

We teach real life applications of Bubble technology, from military applications to medical technology.

Did you know that Astronauts performed bubble experiments up in space? Learn what they learned.

Students & teachers alike  
will be put inside a  
Large Bubble

Have you ever seen  
a square bubble?

- How can a Bubble Saves Lives?
- A Bubble is full of holes, why does it not pop?
- Where does the color come from in a Bubble?
- What happens when light hits a bubble?

*See How Cool Bubbles can be!*

# Its not Magic Its Science

**Dazzle them with...Bending Water**  
**Mystify them with...Fat Air**  
**Astound them with...The Impossible Circuit**

## **Jaw-Dropping, Mind-Boggling, Head Scratching, SCIENCE Experiments**

Have you ever watched a magician perform a magic trick and wondered how it was done? Have you ever watched a science teacher do a science experiment and **wondered why it worked?** Sometimes it seems there's not much difference between magic & science.

Many magic tricks are really just simple **science experiments**.  
There is a scientific explanation for how the trick works.

This **NEW Science Show** provides a practical and fun introduction to math and science. It will help your student's **master important concepts and skills.**  
**Fascinating experiments with unexpected results** with scientific principles behind them.
